

NOW HIRING · TULSA METRO AREA

HVAC APPRENTICE

STARTING PAY
\$16–\$24
per hour · based on experience

Ready to learn the trade the right way? We'll show you — and we won't cut corners doing it.

Tellez Heating and Air has been serving the Tulsa metro since 2009. We're a small, family-owned crew that believes in building people up, not burning them out. If you're serious about a real career in HVAC, this is where you start it right.

REQUIREMENTS

- Eager to learn and take direction well
- Reliable, punctual, and professional on job sites
- Comfortable in varying conditions (attics, crawlspaces, outdoors)
- Valid driver's license & clean driving record
- Strong work ethic and genuine interest in the trade
- Background check & drug test required
- Some HVAC coursework or hands-on experience is a plus — not required

BENEFITS & COMPENSATION

- **\$16–\$24/hr** based on experience level
- Paid time off (PTO) for full-time employees
- Overtime opportunities when the season heats up
- Company-provided tools
- Hands-on mentorship from experienced technicians
- Growing company — more benefits in development

YOUR PATH FORWARD

WHY START YOUR CAREER AT TELLEZ

Real mentorship, not busywork

You'll learn from techs who actually care about teaching.

Family-owned since 2009

Small enough that your growth actually matters to us.

No mandatory on-call

We don't do 24/7 — your personal time is protected.

A career, not just a job

Clear path to Journeyman — we want to see you get there.
